

Residential Building Plan Review Exemption

I _____ (Name)

as Owner / Applicant / Contractor / Other _____ ,
(Circle One)

request exemption from building plan review of construction drawings in accordance with USBC 109.1. As such, I certify the project meets the following specifications;

(Check each applicable box)

- ☐ The project is limited to interior alterations without structural modifications, and the value of work does not exceed \$2500.00. (Not required if a licensed contractor is performing work)
- ☐ The project is limited to interior alterations with:
 - No modifications to the emergency escape and rescue openings of existing bedrooms.
 - No additional bedrooms added.
 - No business(es) added.
 - No apartment(s) added.
- ☐ The project is limited to a singlewide mobile home, with each deck limited to 4'x4' maximum size.
- ☐ The project is limited to an accessory structure 500ft² or less with a maximum wall height of 12'.

Signature: _____ Date: _____

All projects exceeding the limitations outlined above will require a Residential Plan Review
